Division 3. Air Resources Board

Chapter 1. Air Resources Board

Subchapter 3. Subventions

Article 3. Application Processing, Disbursements, and Reports

§ 90360. Disbursement of Funds.

Each subvention is to be disbursed in accordance with the following:

(a) Upon annual appropriation by the Legislature the executive officer shall request the State Controller to disburse one half (1/2) of the appropriate subvention as estimated by the executive officer.

(b) Districts which are unable to submit a complete subvention application to the executive officer by June 30 of a given year may submit a disbursement request on a form approved by the executive officer by June 30 of the same year. Upon approval of the executive officer, he or she shall request disbursement as described in Section 90360(a).

(c) Six months after Legislative appropriation the executive officer shall request the State Controller to disburse the remainder of the approved subvention unless, after review of the district's program, the executive officer finds that the district is not engaged in a program to meet the applicable evaluation criteria adopted pursuant to Section 90115, for reasons that are not expected to be easily resolved, and invokes the provisions of Health and Safety Code Sections 39806 and 39806.5, or the executive director invokes the provisions of Health and Safety Code Section 39608 or Section 90380 of this article.

(d) All subvention funds not expended or encumbered by the district during the subvention year shall be returned to the Air Resources Board and such funds shall revert to the State General Fund.

(e) A county district shall maintain a separate account for receipts, expenditures, and funding of the district in accordance with accounting procedures acceptable to the State Controller's Office.

(f) In the event that the subventions requested exceed the total allocation that is available, the executive officer shall prorate available funds among all the districts.
